

# Now You Can Donate While You Shop At NO Extra Cost

The Laura Centre is now part of the Easy Fundraising community and can directly benefit from any purchase you make on-line. It really is simple to operate and only needs a few minutes to set up. Once set up is complete you will be supporting us everytime you electronically shop.

Below you will find some easy step by step instructions:

1. First of all log on to [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk)

2. Select "register as a user" and complete your details.

3. You will be asked to choose your charity. Just type in "The Laura Centre" and click "Search"

After you have registered make [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) your home page

You only have to complete the registration process once. Once registered simply log in using your username (e-mail address) and password.

Now you are ready to shop. Just click on the store you want to visit and they will donate a percentage (this will vary with different companies) of whatever you spend. It actually **costs you nothing** even though we benefit from each and every purchase. All of the major high street and on-line shops are available so the choice is amazing.

Instead of using Google or Yahoo to search the web why not use Easy Search (powered by Yahoo)? The Easy Search tab is always found on your Easyfundraising home page and everytime you search, The Laura Centre will receive approximately 1p. This may not sound a lot, but just think how many searches you make in a year and then add your total all of our other supporters.

To make life even easier, why not make [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) your home page then, everytime you log on to the internet you will be ready to search, shop and raise money for The Laura Centre.

**FINALLY - Don't forget to tell all of your friends about the site and get them to register as well. The more people that use it, the more we raise for The Laura Centre.**
